True Con

Bored housewife? You too could have a bit on the side, just like Stacy from Workington...

My husband and I have been married for 14 years and I'd describe us as a normal couple with a mortgage, three kids, two cars, and so on. We live in suburbia. Justin works for a bank, while I run a small bridal shop not far from our house.

Actually, there's nothing really wrong with my marriage. Sometimes, though, I long for the days when we were more passionate and Justin would fuck me anywhere. These days we fit sex around our family, work and social life, so that, along with the spontaneity, the gloss seems to have worn off of our relationship. Even so, I still never ever planned on being unfaithful. Honestly!

Anyway, I had employed a young lad to paint the storerooms at the bridal shop. In fact, when I first hired Barry I never even imagined I would end up lusting after his fit young body, let alone begging him to fuck me in the many ways I've since taught him to.

"He leaned forward and began licking and sucking on my hard nipples"

It all kicked off the day after Barry started work. Perhaps not realising what effect it would have on me, he'd stripped to his jeans and was setting up the ladder to begin painting the ceiling. His muscles rippled as he set about laying out heavy canvas ground-sheets to protect the floor from paint splashes.

I looked on in admiration, shocked at the longing I felt to touch and squeeze his tightly-toned arse. Barry winked when he caught me sneaking glances, and I left the room, a bit embarrassed that I'd been so obvious.

Around ten, he called through to ask if there was "any danger of a brew". By then I'd calmed down a bit. However, as I boiled the kettle I still couldn't help thinking about the bulge in the front of his jeans or that young, muscular body.

I was in a proper state again when I carried the tray through and set it down on a small table. I brought through two stools from the shop for us and we sat together for a while, drinking our coffee in a bit of an awkward silence.

He was a genuinely pleasant young lad and not at all cocky, but he knew what was going on, and tentatively made his move. As he drained the last of his coffee, he reached across the table and touched my hand. My fingers trembled but I didn't pull away from him, and when he smiled, I smiled back.

I could kind of tell he was fairly shy, but he'd been brave enough to make the first move, and now I felt it was up to me to take over if I really wanted this. I quickly got up and locked the shop door. Standing there before him I began to unbutton my blouse, slowly revealing my breasts while Barry watched, his eyes fixed on my cleavage. As I unhooked my bra, however, he stood and moved towards me, and started to caress my boobs.

Barry certainly seemed to be enjoying himself, because his hands were all over my tits, fondling and squeezing them.

He leaned forward and began licking and sucking on my hard nipples, and it made me feel hornier than ever. I unbuttoned his jeans and unzipped the fly.

Barry stood still as I tugged his jeans down around his knees, and watched as I eased his cock free from his boxer

shorts. It was as large as I'd imagined and sprang erect, the deep red helmet shining wet with his oozing pre-come.
In the next few minutes things got a little out of hand. All of a sudden we were like wild animals, tearing at one another's clothing in our desperation to explore each other's bodies. I was just as crazy with lust as Barry was, and I couldn't wait to have that big youthful cock inside me. He fumbled as though this was his first time, although I knew this must've been just his nerves from being with an older woman, and that with looks like his there was no chance he was still a virgin.
We ended up on the floor, half-entangled in a heap of ground-sheets, with Barry's face buried in my pussy as he ate me out. I lay back, closing my eyes in absolute bliss as he drew his tongue along the length of my throbbing slit. He'd definitely done this before! When his tongue hit my clitoris, my hips bounced off the floor with my excitement and I began to grind my crotch up against his face.
Holding my hips steady, Barry pinned me to the ground as he climbed on top of me. Pushing my legs apart, he forced his cock between my slick pussy-lips and began to fuck me. I wrapped my arms around him, holding on tight as he began to pump his shaft in and out of my pussy. It felt fabulous. Barry didn't bother with any of the frills, he just got in there and kept going! I wasn't complaining at all!
My pussy clenched and gripped as he slammed me harder and faster, using his youthful strength and stamina to give me the fucking of a lifetime. On and on he went, taking his weight on his forearms as he screwed me, drilling my pussy like a machine until he pushed me over the brink and I started to orgasm. Wave of pleasure followed wave of pleasure, and as Barry just kept humping away, I experienced my first ever multiple orgasm.
I was close to delirious with pleasure when he finally pulled out and asked if

we could change around because he wanted to try fucking me in doggy. I would have agreed to anything by this time!
I got into position, offering my arse into the air and wriggling my hips provocatively at him. I expected Barry to ram his cock right in and start fucking me, but this time he teased me a little by rubbing his bell-end up and down my slit until my juices were running down my thighs. I looked over my shoulder and told him to get on with it, the teasing little sod!
Gripping my hips, he aligned his head against my pussy entrance and sank his cock balls-deep inside me. It took my breath away as he began to fuck me hard and furiously, his nuts slapping against my pussy as he shunted his gorgeous cock back and forth.
I was gasping for air as my pussy went into spasms again, gripping and clenching around his cock tightly. He was thrusting relentlessly, making me groan and moan so much that I was sure the nosey old couple who run the baker's next door would hear. Fuck them, I thought, this feels so good!
Barry stopped for a second, grunting so loudly it was almost a shout, before thrusting back into me and emptying his balls deep inside my already climaxing pussy.
The sight of the old bat next door peering through the storeroom window very quickly interrupted the moment of bliss, and we quickly gathered our clothes together and dashed upstairs to the office, where we continued the fun.
The shop kept strange hours that week, and Barry didn't get much painting done, and now he's my full time 'bit on the side'. He has his girlfriends, I have my hubby, and a couple of times a week we have our secret sordid meetings in my nearly decorated storerooms! Perfect.

True Con

Neglected by hubby? Becky from Coventry was, so she found herself a playmate...

I'm 33, I have a couple of kids, a husband, a nice job and a lovely home. I'm lucky, but sometimes I miss that sparkle of excitement that you only get from being bad. You see, I like my sex dirty and hard, and so I often feel there's something missing from my life.

A couple of weeks ago I got home from work feeling incredibly horny to find that Martin, my hubby, was more interested in going out with his friends for a boozy session than having an evening of sex at home, and he even had the gall to ask me to wait until he got back. Well, when a woman is horny, she wants it now, not later – and I told him so.

Frustrated as hell, I decided that if Martin wasn't 'available' I would damned well go out and I'd find myself a suitable substitute. I was just too horny to sit at home and twiddle my thumbs, as it were. So I called one of my friends and asked her to take the kids for the evening, and once I had them packed off safely for the night I showered, dressed in my best 'fuck me' outfit, and headed out.

I could have phoned some of my girlfriends but the fewer witnesses to infidelity the better, and besides, I felt like hunting for a younger bloke and having competition around was not going to help my chances. I started out at one of my favourite bars that had a nightclub upstairs. If I didn't meet anyone in the bar, I could always go up there and maybe find someone to my liking.

As luck would have it, the only free seat at the bar was beside this hot-looking young lad of about 19, perhaps 20 at most. He had dark hair and brown eyes, and he was much younger than I usually go for, but frankly he looked so hot that I couldn't resist.

He must have noticed my interest, because when I ordered my drink he paid for it and began to come onto me. He was very cocksure for his age but I liked his confidence, and, judging by the growing bulge in his trousers, he must have liked me too.

Our conversation was peppered with sexual innuendo and he was getting ever more daring when my mobile rang. It was my husband, he was at a party and pretty drunk so he said he was going to stay there until the morning. Which suited me just fine!

I was pleased that with the kids out of the way and my hubby sleeping on someone else's couch that I was free to have a little extramarital fun in the comfort of my own home. My new friend's name was Neil and as I talked with my husband on the phone, Neil's hand groped up the inside of my thighs. I was getting even more aroused and in need of a fuck by the time we finished our drinks, and without a second thought I invited him back to mine.

I was turning the key in my front door when I felt his hands sliding along the outside of my hips. He moved in closer to me, his hands moving up to my tits. I could feel the heat building in my pussy, and when I pushed the door open we very nearly fell inside the house in our excitement.

Once I had the door shut, I wrapped my arms around him, running my hand down his back to grope his arse. His hard-on was digging into me through his trousers as he unbuttoned my blouse, impatiently tearing the fabric as he ripped it off me.

I was shamelessly horny and the adrenaline was rushing through my body as his hands roughly pawed my tits. I was a little scared he would rip my new Victoria's Secrets bra, so I had to compose myself and insist on removing it properly, but I'd barely managed to free my knockers before young Neil was licking and kissing all over them. It felt great to see how enthusiastic he was, but while I enjoyed the attention I didn't want to be fucked on the hard floor, so I pulled him up short and suggested we went upstairs and used the bed.

"With each lunge, his shaft rubbed against my swollen clit, driving me ever closer to climax"

fessions!

He was typical of every young man that I had shagged, randy as hell and mad to stick it in. It seemed that any idea of foreplay except groping and licking my tits was totally out of the question for Neil, but I was wet and ready and this sort of shagging was exactly what I was in the mood for.

We were no sooner in the bedroom when he pushed me back onto the bed and set to work slobbering over my tits. Straddling my hips, he sat astride me, his strong hands grabbing and squeezing my breasts as he licked my boob flesh and chewed on my nipples.

Tingles of pleasure ran from my nipples down to my pussy, and I felt my juices trickle from my come-hungry fanny. Having coated my nipples with saliva, he blew on them, the cool air of his breath making them as hard as bullets and incredibly sensitive.

This made me so fucking hot that I began to whimper and I begged him to fuck me. Neil grinned and began to pull his top off while I unzipped his trousers. He climbed off me, discarding his trousers, socks and boxers as I wriggled out of my skirt. I was so ready!

His cock stood hard and thick, with a lovely shiny head which was wet with pre-cum. Before I could save them, my panties were ripped off and Neil buried his face in my neatly trimmed pussy hair. His hands pulled my lips wide apart, and he began to tongue me ferociously, nibbling at my labia as he scooped out my juices with his tongue. I began to realise that I had sorely under-estimated him in the foreplay department and that I was probably dealing with a pretty experienced young man.

My pussy spasmed as he rubbed his tongue against my clit. I was playing with my own nipples as Neil pleasured me with his oral attentions. Then, just as I felt my orgasm begin to throb he pulled back, making me moan in frustration. He didn't leave me frustrated long, though, because having tasted pussy, Neil was more than ready to fuck me with his throbbing prick.

Almost jumping on top of me, Neil pushed his way between my thighs and mounted me, sinking his cock balls-deep in my soaking slit.

My hips jerked up to meet his thrusting cock and tremors of pleasure shot through my pussy. Resting on his elbows, his hands squeezed my boobs. I think he was in love with my tits! My pussy gripped around his thick shaft as he worked it in and out. With each lunge, his shaft rubbed against my swollen clit, driving me ever closer to climax, the friction making me ever more excited.

"My pussy gripped around his thick shaft as he worked it in and out"

When I felt myself coming, I held onto his back, my long nails raking his skin as I orgasmed hard. My pussy gripped around his cock, trying to milk it absolutely dry of his spunk. I wanted him to love it, I wanted him to need more and come back for it some time soon. I could see Neil's chest muscles ripple as he continued to fuck my spasming pussy, slamming in and out of me as I gripped on to him.

My hips jerked and he held them tight as he hammered his big cock harder and harder inside my aching pussy. Then, as another wave of orgasm washed over me, Neil blasted his hot load inside me, pumping his thick spunk deep inside my throbbing slit.

After we'd calmed down a little and sorted ourselves out, we had a couple of glasses of wine and Neil stayed the night. I think we must've shagged about another three times! I made sure he left the house early to avoid bumping into my selfish prick of a husband, but we've made arrangements to meet up next Friday. And I dare say this time it'll be me staying out all night.

Lucy

Pretty in pink, Lucy has the best body of anyone we've seen in a while. With those succulent pendulous tits, she actually makes our mouths water, simply by, erm, ahem, looking at her photos. Our snapper tried to make out that Lucy was as 'welcoming' as she looks in these pics, but somehow we don't believe he got the treatment he was hoping for...

READERS' WIVES

We love getting pictures both on disc and as prints. Digital images should be sent as jpeg files and we like the images to be saved as large as possible (ideally at a resolution of 300dpi). Images that are too small will be returned. The more poses the better, and we hope you have as much fun taking them as we do looking at them! Pictures must be accompanied by a completed readers' wives form (see opposite) and accompanied by 2 forms of ID, at least one of which must be a passport or driver's licence.

We love older women, and they don't come much finer than US pornstar Lisa Ann. Although she started fucking on film way back in 1994, she first caught our eye when she starred in the now infamous, Who's Nailin' Paylin – a porn parody about the comically right-wing American Vice-Presidential candidate. If you haven't seen it yet, you really must. You'll not see as fine a MILF arse in UK politics – real or otherwise!

Tanya

She's been in the business for only a couple of years, but Britain's hottest MILF is currently being a cougar in LA...

So where are you calling from?
I'm on the lawn of this huge, amazing house in the Hollywood hills overlooking LA. It's ten in the morning and I'm just having a quick fag by the pool before I go into make up upstairs. I'm doing two boy/girl scenes today with different guys that I've never worked with before and I'm dead pleased because the first guy has just turned up in this really cool old Ford Mustang and he's gorgeous. He's a twenty year old New Yorker called Brad who has this really cute accent and looks a bit like Sean Penn. We're shooting a scene on a rug beneath this enormous flat screen telly which is showing old episodes of Dallas. I'm looking forward to getting down and dirty with Brad in front of JR I can tell you!

And where are you staying?
I'm staying in a district called Woodland Hill at the house of the English porn star Tony De Sergio and his American porn star wife Jordan Kingsley. The two of us have been sunbathing nude by her pool and wondering if the neighbours are enjoying getting an eyeful of two hot busty blondes!

Are you sampling the LA nightlife?
Yes a couple of nights ago I went out with Jordan, Tony and Jason Maskell (ex- Harmony Films) and we went to this fantastic Mexican restaurant on the main street in Burbank, California. Unfortunately after some cocktails and wine I got stuck into the cherry flavoured vodka and I woke up yesterday morning with a horrendous hangover. I spent the morning lying in bed watching a Harry Potter movie and just couldn't face having another drink last night.

"My other favourite is being on my back with a bloke grabbing hold of my ankles and spreading my legs really wide..."

Is this your first time in LA?
No I've been here once on holiday before but never for work, so it's amazing to be signed up to the biggest and best porn agency in town – LA Direct. I did my first scene for Naughty America with Phoenix Marie and Steve Hooper in the UK earlier this year and last week I shot my second scene for them. I was booked to do a boy/girl scene with US porn star Rocco Reed, but there was a bit of a mix up on the day so I ended up having naughty fun with Christian XXX for a POV scene. Christian was really hot to work with and I can't wait for that scene to be released but I still want to work with Rocco Reed sometime soon.

So what's this cougar lark all about then?
It seems that as a thirty year old I'm automatically now a MILF and a cougar, which is an older woman who likes to fuck fit young guys. Last week I shot some very horny scenes for cougarsinheat.com where I got royally fucked on a

Tate...

sofa and my favourite line was 'fuck my wet cougar cunt! I've got three scenes booked with Brazzers over the next ten days so I'm having a great time being fucked in every possible position at the moment.

Out of all of those what's your favourite?
It's definitely doggy. I like to be taken roughly from behind by a man, but I must admit I'm not really into being spanked at the same time. My other favourite is being on my back with a bloke grabbing hold of my ankles and spreading my legs really wide, in terms of deep penetration it doesn't get better than that. I'm also really into foot fetishism and I love having my feet sucked, kissed, licked, stroked and massaged – anything you want to do to my feet or my legs then I'm up for it!

Any foot stories then?
When I was in Vegas last year on holiday I was wearing a brand new pair of shoes which hurt my feet and made them swollen. I sat down on this sofa in a nightclub, took off my shoes and the next thing I know this guy has got some ice out of a champagne bucket and he starts massaging my feet with it. It was a massive turn on for me and later on he ended up getting well rewarded for his boldness, back in my hotel room. I also like to make a man cum with my feet but that generally only works on guys who are into feet. Strangely enough I've discovered that quite a few male porn stars have a fetish for women's feet. Jazz Duro, for instance, has a huge collection of photographs he has taken of sexy feet in kinky killer stilletos.

"...in terms of deep penetration it doesn't get better than that"

Are you looking forward to coming home?
Not yet, as I understand the weather has been pretty rubbish in the UK at the moment! The one thing I am looking forward to is the start of the new football season and, being a scouser, when I'm back in Liverpool I like to go along to a game and cheer the boys on. One of these days or nights I'm going to show Steven Gerrard what it's like to take on a cougar – and that's one game he'll never win, I can promise you that!

True Con

Is it easy for a MILF to pull a young man? Oh yes, says Andrea from Surrey...

Since my hubby is in a high income bracket, there is no need for me to work and I have become a very bored housewife with plenty of time on my hands to get up to mischief. Looking through my husband's credit card receipts over the years I've found plenty of evidence that he likes some fun on the side, so I don't feel bad about enjoying myself, too. My favourite thing is having sex with younger men. There is something exciting about being able to pull someone maybe 10 or 12 years my junior. I love the firm feel of their bodies and the enthusiastic way they fuck me, but the biggest turn-on is teaching them how to pleasure a woman. I also love having the power to control what happens in bed, as most are willing to do as I say.

I've had plenty of experience and I know what I like, and just how to get it. The fact that I'm still fairly hot-looking with a great figure helps me pull the vast majority of young men I set my sights on. And even if my body is a bit more voluptuous than when I was younger, my curves only make me sexier. My hubby gives me a generous allowance, so I buy a lot of naughty lingerie, as I love the feel of satin and silk against my skin and enjoy the way a tight g-string puts pleasurable pressure and friction against my clit.

"Taking his big cock in my hands I began to stroke it"

Not long ago, we were having some renovations done to the outside of the house, and I was excited to see that the labourer who'd been sent to chip off the exterior plasterwork was a very fit young man indeed. Jamie was 19, well-built and well-hung to boot. I was delighted when I saw him turn up and set down to work. Somehow the dirtier he got from the plaster dust, the hornier I became.

His jeans were a good fit, clinging to his tight arse, and watching those muscles flexing and his T-shirt growing damp with sweat made me very ready for a bit of action. It wasn't long before I was squeezing my thighs together, just thinking about him.

In an effort to get his attention I brought him out a drink, wearing a shamelessly low-cut top which left very nearly nothing to the imagination, and especially to someone who's looking down at you from a ladder. Jamie was a cheeky one and didn't even bother to disguise his interest. I couldn't see the point in prolonging the inevitable, so when I saw the rather obvious effect I was having on his groin I winked and asked him if he would like to come inside for a little break.

Jamie was down that ladder in no time, and followed me indoors like a puppy on a lead. I took him right upstairs and into the guest room. Once there I began to undress in front of him, while Jamie just stood there with his mouth open watching as I unhooked my bra and allowed my big breasts to spill free. The poor young lad finally began to look what he was – out of his depth – so I prompted him to remove his clothes, which he did a little self-consciously.

His cockiness had disappeared now but his cock was large and hard and I was sure I was going to enjoy him. Half his attraction was that he was sweaty from physical exertion, so when he asked me if I wanted him to wash I grinned and shook my head, telling him that I wanted

him just as dirty as he was. Relishing the thought that I could do as I liked with him sexually, I told him to sit on the edge of the bed and went down on my knees between his powerful young thighs.
Taking his big cock in my hands I began to stroke it, gently peeling the foreskin back so his cock-head was exposed. I took my time licking all around the helmet and teasing his little hole as the lad squeezed and fumbled with my tits. His breath came in gasps as I sucked him inside my mouth, taking him in deep as I bobbed my head on him. I could feel his balls tighten and he began to try to jerk his cock up against the roof of my mouth as he came closer to ejaculating.
I pulled my face back quickly, because I know how undisciplined young men can be – at that age they can't help it – and although he sighed with annoyance because he'd been was so close to climax, he seemed pleased when I told him that he should return the favour.
Laying back on the bed, I spread my legs wide and pulled my pussy lips apart and held them open for him. Jamie got between my legs and began sucking on my pussy lips and poking his tongue inside my pussy. It felt good but I knew that he could give me a lot more pleasure by going slower. So, pushing his head back, I instructed him to take long upward licks along my slit.
He was a good student, this one, and he soon reduced my fanny to a soaking mixture of his saliva and my juices. His tongue sent exquisite sensations through my pussy as he sucked on my labia and clit. Then, holding his head against my pussy with one hand, I told him to push his tongue hard inside me and to fuck me with it while fingering my clit.
As Jamie did so, I pulled and rolled my nipples between my thumbs and forefingers, and before I knew it I was coming hard with his tongue buried inside me, and I was filling his mouth with my juices. He looked up at me, watching my face as I climaxed, smiling because he was obviously proud to have given me such immense pleasure.
When I asked him if he wanted to fuck me, he almost dived on top of me. My pussy was well warmed up now and to be honest I was up for a full frontal assault from his big thick cock. There was not much in the way of finesse about how he slipped his full length inside me in one thrust, but it was incredibly satisfying to be filled by a cock that size.
Abandoning all inhibitions, Jamie went for it, fucking me hard and with almost frenzied enthusiasm. I enjoyed the total unrestrained urgency that he showed as he pounded my pussy. My whole body seemed to be battered by his thrusts, though, and after a few minutes of this unrelenting thrusting I asked him to slow down a little.
With a breathless apology he slowed to a more measured pace, and I told him to raise my legs so he could get better penetration. He liked that. With my legs up and his cock once again in my pussy I told him to start with long slow strokes and to build up speed gradually. He began fucking me again, this time with more restraint and with long smooth strokes. I could see by the look on his face that even though he was holding back he was really enjoying the sensations, while all the time prolonging his own pleasure.
Eventually, however, his youthful excitement got the better of him and he began fucking me harder and faster. My pussy contracted and began to spasm as his strokes became frantic and more like a fast series of short hard stabs, and I orgasmed again as he plunged his length balls-deep inside me, filling me with his hot, sticky load.
Andrea, Surrey

When we asked minxy MILF Cameron where she would like to do our shoot, and she opted for the shower, without hesitation. "I love getting dirty while getting clean! Blonde bombshell Gemima tells us that she's not keen on the MILF label. "I much prefer to be called a Cougar!" She purrs. "I know at 34 I'm not that old, but I still go for guys way younger than me. In fact, I've not slept with a guy over 25 in years!" Well, the cougar label seems to fit, Gemima!

We thought Sam would be quite demure, being a mum and all. Silly us! "I'm a bit of an exhibitionist on the quiet!" She reveals. "I love shagging outdoors – there's something very liberating about it. Especially in water, say, a pool or the sea. But it has to be in public, or it's no fun!" Well, of course!
